A technical drawing of a rectangular frame. The frame is composed of two vertical bars and two horizontal bars. The left vertical bar has a horizontal protrusion on its left side. The right vertical bar has two small rectangular protrusions on its right side. The bottom horizontal bar is labeled with a dimension line and the letter 'L'. The right vertical bar is labeled with a dimension line and the letter 'H'.

$$H/L \geq 2$$

H/L < 2
H > 2200 mm
L > 1200 mm
